Re: CSD 13 Teacher Arrested  
Date: 5-25-18

Last night, a high school/middle school teacher, Mr. Izaak Bolduc, was arrested by the Maine State Police and charged with unlawful sexual contact involving a high school student. Mr. Bolduc has not been in school since May 3<sup>rd</sup> and will not be returning.

Based on the information we have received the allegation is limited to this one teacher and one student.

We are cooperating with the State Police in any way we can. We take seriously any allegation that a member of the educational community would engage in any inappropriate behavior with a student. Indeed, we provide training, mentoring, and policy expectations for staff to follow, while also thoroughly investigating any such allegation. This is a very serious issue, and we are asking our community to allow the Maine State Police to complete their investigation.

I am proud of the positive work our entire staff does daily. This is a school community of 300+ students and about 80 staff who work successfully with our students each day.

Since this is a confidential staff and student matter it is my hope that you understand that our district is limited in what we can say and share.
