Re: Next Two Steps in Collecting Feedback for 2020-2021  
Date: 5-30-2020

As we continue to plan for the 2020-2021 School Year two important next steps will be collecting thoughts and experiences from our parents & guardians’ perspectives about the last three months of remote learning. We will be doing this over the next two weeks by holding several 45-minute ZOOM Meetings and inviting parents and guardians to participate. If you can't attend your school's session(s), don't worry, as a just as important request for feedback will come from a series of short surveys that will be sent to you. These school specific surveys will be sent out during the weeks of June 8th and 15th. They will collect more specific information from each of you so your voices can be heard and we can use what you share to better plan for student safety and learning.

Please know we really need your feedback and look forward to collecting your thoughts and perspectives about the last three months. Your feedback will help us better plan for the possible scenarios which could occur during the upcoming 2020-2021 School Year.
