

Hi All! I hope this email finds you and your family well!

Several needs and efforts in regards to National Concerns have consumed and are consuming a large amount of time that was not planned for over the last month. This means that more time is needed in order to present an organized and well, thought-out budget. I have had to make two adjustments to the budget calendar to give us more time. They are as follows:

- The meeting for parent/public input, originally scheduled for March 15th will now be on Monday, March 19 at 5:30 PM in the REACH.

- Instead of presenting the budget at a special budget mtg. on March 29th, it will now be presented at the regularly scheduled April 3rd Board mtg.

My best,

Christian M. Elkington  
Superintendent School Union 76
