

Good Evening! I hope you were able to enjoy some outside time this weekend, following Social Distancing expectations, as the weather made for good walking time. I enjoyed several walks with our dogs.

1.) Storm Tuesday/Food Deliveries - It looks as if there is a storm that could start Monday night and go into Tuesday. If the roads are lousy first thing in the am I will be delaying the delivery of breakfast and lunch. How the storm comes in, will decide when deliveries will happen. If there is a delay it will be called between 6:00 am and 6:30 am and you will receive an email. I will also try and get a special message to the TV Stations. Updated delivery times will be sent to you by email as soon as I have an understanding of when the storm will let up and the roads are safe for our buses.

2.) Shelter in Place - Over the weekend we started to look at and plan for the "real" possibility that in the near future Governor Mills may be forced to call for a "Shelter in Place" to further control the spread of the Coronavirus in our state. This would mean that only Essential Personnel would be allowed to travel to work. No one has told Superintendents to start to plan for this, but in order to be ready, we need to start to get ready. Please know we are making plans for how we will make sure that food deliveries will continue and to see what we will be able to do to keep our Remote Learning working as best as possible for students and staff.

3.) SU 76 Central Office - Will be closed tomorrow for extra cleaning. Office Staff will be working from home and answering email. No one will be available to take phone calls.

Thanks again for your previous efforts and support as this is truly a TEAM effort and for those that will be needed in the days and weeks ahead.

My best,

Christian M. Elkington
Superintendent School Union 76
