Dear Principal McKechnie, DISES Teachers and Staff:

We do not have adequate words to thank you for what you are doing for our students. Superintendent Elkington is keeping us updated on your efforts. Your dedication, creativity and determination to meet the many differing needs of our students is amazing.

The efforts of those of you focused on student learning to continue to adjust as needed, become proficient in conducting classes via ZOOM and maintain contact with your students on a regular basis is impressive. Those of you shouldering the various administrative and cleaning tasks are providing support that helps keep everything going. Those of you undertaking the massive task of providing meals and meal delivery are preventing our students and families from going hungry.

We are proud that, because of your efforts, the CSD is in the forefront of how districts are coping with this pandemic and supporting our students and families. We are well aware that this is not easy and is taking a toll on you. THANK YOU!! We will continue to follow all updates to be sure we support you in the best way possible as we all cope with this crisis.

With gratitude,

CSD 13 School Board – Jane Osborne, Skip Greenlaw, Tracie Morey, Liz Perez and Darrell Williams
