Dear Principal Duquette, DISHS Teachers and Staff:

We do not have adequate words to thank you for what you are doing for our students. Superintendent Elkington is keeping us updated on your efforts. Your dedication, creativity and determination to meet the many differing needs of our students is amazing.

The efforts of those of you focused on student learning to learn to use Google Suites, become proficient in conducting classes via ZOOM and maintain the regular HS class schedule is impressive. Those of you shouldering the various administrative, food delivery and cleaning tasks are providing critical support that keeps everything going.

We are proud that, because of your efforts, the CSD is in the forefront of how districts are coping with this pandemic and supporting our students and families. We are well aware that this is not easy and is taking a toll on you. THANK YOU!! We will continue to follow all updates to be sure we support you in the best way possible as we all cope with this crisis.

With gratitude,

CSD 13 School Board – Jane Osborne, Skip Greenlaw, Tracie Morey, Liz Perez and Darrell Williams
